NATURE OF COMPLAINT

Type: Workplace Harassment — Inappropriate comments, unwelcome conduct, abuse of supervisory authority

Date(s) of Incident(s): Ongoing from approximately January 15, 2024 through February 5, 2024

Location(s): NexaGen offices — 4th floor break room, team workspace, and after-hours in office

DETAILED DESCRIPTION OF EVENTS

Beginning in mid-January 2024, my direct supervisor Jordan Blake began making repeated inappropriate comments about my appearance in the presence of other team members. On approximately **January 22, 2024**, in the 4th floor break room during lunch, Mr. Blake commented on my clothing in a way that made me and others uncomfortable. Colleagues who were present can confirm this.

Starting around **January 28, 2024**, Mr. Blake began requesting that I stay late after normal business hours to work on what he described as 'urgent project tasks.' These requests occurred on **January 28, January 30, and February 1, 2024**. During these after-hours sessions, we were frequently the only two people on the floor. The

work he assigned could have been completed during normal hours and did not appear genuinely urgent.

On **January 25, 2024**, I sent an email to the HR department describing my discomfort with Mr. Blake's behavior, though I did not file a formal complaint at that time. The situation continued to escalate, and I am now filing this formal complaint.

On **February 5, 2024**, Mr. Blake made a comment about my appearance in the team workspace that was overheard by at least two colleagues. I decided at that point that I needed to file a formal complaint.
